O Almighty and Eternal God, Lord of all men - creator and sustainer of the world and all that is therein, we pray in humility. For thou art God - and we are limited men, Finite and Fallible; We stretch our minds and still see only through a glass darkly. We bring thee our lives - our Faith and hopes - and even in our worship we cannot rise above our pride and selfcenteredness. Hear us O Lord, Bow down thine ear unto us - hear our prayer - hear our silent prayer - hear the prayers that remain in our hearts.

O Eternal God our thankfulness to thee too frequently remains unspoken. Hear us now as we, each one, silently express our gratitude - For all thou art - For all thou hast provided for us.

O Almighty God, Father of him who taught us to look further than ourselves, hear us now as we pray for others: For those who are sick - For those hungry & cold throughout the world; - For those near and far who are in need of thee.

Our heavenly Father, thou hast taught us that thou wilt answer our prayers - and grant our requests as we make them in accordance with thy will. Hear us now as we pray - For Faith - For understanding - For courage and steadfastness.

O Thou who art our Father and God, and whose spirit is ever present with us, we rejoice at this opportunity of ~~communing~~ worshipping with thee. Grant us thy sustaining grace that we might live as thou wouldst have us live: that our Faith might extend into every day of our lives.

All this we ask in the name of our Lord Jesus Christ who ~~reigneth with thee and the Holy Spirit both now and forever~~ taught us to pray, saying. Amen.
